Coreen joins Rowland Hall as the Spanish Teacher for first and second grades. This is Coreen's seventh year teaching elementary school children. In addition to her teaching license, she holds a Bilingual Cross Cultural Language in Academic Development credential from California and taught in bilingual schools in CA and Oregon. Coreen's experience is mostly in second grade but she has also taught fourth grade. She is excited to return to the classroom after being at home for a few years with her two young daughters.
