

UNIFORMS/DRESS CODE

Rowland Hall's dress code and uniform policies are intended to reinforce an environment which maximizes respect among faculty, staff, and students, and fosters an atmosphere of learning with the focus on academics rather than dress.

For our uniform and dress code policies to be successful, the support of every parent is essential. All clothing must fit properly, be clean, and in good condition with no rips, tears, or holes. If a student is consistently out of uniform, parents will be called to bring in appropriate clothing or the student will be given clean uniform attire from school supplies before attending class. Please label all clothing with your child's name. All unclaimed items in the Lost and Found will be donated to charities.

We encourage students to wear sun hats during all outside activities.
